

Paypro Online

The New and Innovative Way to Manage Your Payroll!

Are You Ready to Make Payroll a Whole Lot Easier?

In today's busy world the preparation of payroll can get in your way sometimes. Just when you're ready to focus on that important business decision, you're interrupted with a phone call from your payroll service inquiring about the status of your payroll. With Paypro Online we fit payroll into your schedule! Our Internet access payroll provides you with a powerful solution ready to work for you when you need it!

A Complete Resource at Your Fingertips

With Paypro Online we provide you with the ability to enter your payroll anytime anywhere on an easy to read grid that's custom designed for your company. Additionally, with Paypro's unique Human Resource Center you can access your employee history and other valuable HR information. With Paypro Online, you are ready to use the most efficient method of preparing your payroll in today's market.

Payroll Security

Security is crucial. Paypro Online uses the latest SSL encryption to ensure the security of your payroll data. Unauthorized log-on is prevented by a fully secured web server requiring both user log-in and password security.

How Does it Work?

With Paypro Online simplicity and ease of use become the cornerstones of processing your payroll. You simply log onto Paypro's website and then Paypro Online. In a matter of minutes you can enter your payroll on the easy to read payroll grid, check your totals and submit your payroll. It's that easy!

Benefits of Paypro Online

- Dramatically reduces time required to do payroll (most within 15 minutes)
- Conveniently process payroll, anytime, anywhere
- Improve accuracy over a call-in or fax method of transmitting payroll
- Unlimited direct deposits or debit card accounts
- Library of standard reports accessible on the web
- Easy access for off-site accountants and financial advisors
- Human Resource capabilities
- Power of an in-house payroll without the headaches of software upgrades
- Employees can access their payroll information on-line
